Wellbeing: Our Foundation

Every student at St Clare's is known by name and nurtured with care. Our Pastoral Care system connects students in small, vertical groups led by dedicated teachers who guide them throughout their school journey.

Supported by Heads of House, Pastoral Care teachers, counsellors, and academic mentors, students feel truly seen and valued.

Our wellbeing programs build:

- Emotional intelligence
- Social resilience
- Purpose-driven leadership
- Strong community bonds

Our strong sense of community is what truly sets us apart. Whether cheering at a carnival, leading a charity drive, or supporting a peer—our students are part of a sisterhood, and know they belong.

Through our House system, faith life, and shared celebrations, students experience connection, purpose, and pride in being part of something bigger than themselves.

This network of care is further enhanced by our Inclusive Education Team, Defence Mentor, and Academic Care Leaders—ensuring that every student is supported in her academic, emotional, and social growth.
